FIRST CIRCULAR

Invitation

Faculty of Geology, University of Warsaw and the Polish Academy of Sciences Museum of the Earth in Warsaw together with the Regional Committee on Mediterranean Neogene Stratigraphy have the pleasure to invite you to participate at the 8th International Workshop on the Neogene of Central and South-Eastern Europe to be held on **May 27 – 31, 2019 in Poland**.

Conference Venue and Accommodation

The Workshop will be hosted by the European Centre for Geological Education (ECGE; <https://www.eceg.uw.edu.pl/en/>) owned by the University of Warsaw and located in the old quarry on Rzepka Hill near the historical town of Chęciny placed in the heart of the Holy Cross Mountains in Poland, about 15 km south of Kielce, about 170 km south of Warsaw and 100 km north of Kraków.

Organizing committee

Barbara Studencka, Anna Wysocka, Marcin Górka, Krzysztof Bukowski

Contact

Faculty of Geology, University of Warsaw

e-mail: NCSEE2019@uw.edu.pl

May 31, 2019

Post-conference field trip to Wieliczka

Presentations

The official language of the conference will be English. The abstracts of the Workshop presentations and posters will be published in the Abstracts Book. Further details will be provided in the second circular.

Transportation

Kielce, the major town of the Holy Cross Mountains area, can be reached by train or by bus from Warsaw or Cracow. The town of Chęciny is located about 15 km to the south of Kielce and you may travel there from the Main Railway Station at Kielce by local bus no. 31, a minibus or a taxi. Depending on the declarations, we are ready to organize transportation from the Kielce Main Railway Station. We would like to inform those travelling by car that ECGE has its own free-of-charge parking, where you will be able to leave your car during the conference.

We are looking forward to seeing you in Chęciny!
